Thinking Works

Okidoki was borne from the idea of creating a table and chair family with a cheeky, fun design bringing a sense of informality to the chosen environment. Featuring a solid timber base in White Ash, Walnut Stain, and White or Black Woodgrain. Set against the powdercoat colours of Okidoki's steel and aluminum framework, the decision to complement or contrast is your call. In true laidback style, Okidoki provides plenty of flexibility in its shapes and finishes, with a sleek rounded design theme.
