

## SPEED-O DRAFTING STOOL

### Designer

Gorgi Design

### Brand

Dauphin

The chic and minimalistic design of Speed-o will enhance any environment, whatever its application. Featuring an auto-synchro mechanism, contoured sliding seat with waterfall front edge, Speed-o will provide comfort even over long periods of sitting to become that member of the team that always gives off positive energy. The Speed- O Drafting Stool is equipped with a drafting base and polished foot ring. The Style Model has a back upholstered in a breathable mesh fabric. Stocked in a black mesh back, with black frame and base. Alternatively choose your preferred colour from a range of mesh fabrics, and assemble with just three clicks. Let Speed-o be your number-one choice for a comfortable and stylish chair that works in any space.
